TESTS & STAKES OFFERED

JUNIOR COURSER TEST: Open to all hounds of an eligible breed 12 months of age or older. A hound running alone shall receive a certification from a judge assigned to one test and a second certification from a different judge assigned to another test, stating that the hound completed a 600-yard course with a minimum of four turns. The hound must complete the course with enthusiasm and without interruption. It is strongly recommended that hounds that pass their JC test should be practiced with other hounds before being entered in the Open Stake to ensure absence of aggression on the field.

QUALIFIED COURSER TEST: A hound at least 12 months of age (Qualifying Hound) running with another hound of the same breed—or another breed with a similar running style—(Testing Hound) shall receive certification from a licensed judge. The hound must complete the course with enthusiasm and without interruption, sufficiently course the lure and not course the Testing Hound. The judge will certify that the Qualifying Hound ran cleanly and did not appear to present a hazard to the Testing Hound at any point in the qualifying course. This certificate is required to enter a hound in an Open Stake. The handler presenting the Qualifying Hound shall be responsible for providing the Testing Hound for the qualifying course. It is strongly recommended that every Qualifying Hound have been run previously alone and that to the handler's satisfaction runs cleanly and keenly. It is additionally recommended that every Qualifying Hound practices with other hounds prior to being presented for a qualifying courser test. It is to be understood by all that training prior to running a hound with other hounds in competition is essential to ensure that the hound is prepared to run safely with other hounds.

OPEN STAKE (trial): Open to all hounds that have obtained an AKC Qualified Courser certificate. This requirement will be waived for hounds that have earned an ASFA Hound Certification Form or Field Championship title from the American Sighthound Field Association (ASFA) or the Canadian Kennel Club (CKC). ASFA or CKC Field Champions or Qualified Coursers must submit a copy of their title certificate to the host club when they enter their first AKC Open Stake. This copy must be included when the results of the trial are sent to the AKC. Championship points earned from the Open Stake will only count toward a Field Champion title. Hounds that have earned an AKC Field Championship title are not eligible to enter the Open Stake.

SPECIALS STAKE (trial) : Open to all hounds that have earned their AKC Field Championship titles. Championship points earned from the Specials Stake will count toward Lure Courser Excellent titles. Qualifying scores earned from the Specials Stake will count toward a Senior Courser or Master Courser title.

OPEN VETERAN STAKE (trial): Open to all hounds which are eligible to enter Open or Special stakes and meet the age requirement for a veteran as established by the breed's parent club – 6 years of age; except Irish Wolfhounds = 5 years, and Afghans, Rhodesian Ridgebacks and Whippets = 7 years. Championship points will be awarded. Points won from the Veteran Stake may count toward either a Field Championship title or Lure Courser Excellent title.

SINGLES STAKE (trial) : Non-titling stake, open to all breeds eligible to participate in AKC Lure Coursing trials. Hounds with breed disqualifications are eligible to enter. Hounds who have been disqualified by a judge are eligible to enter. A dog who has been disqualified by an event committee is not eligible to participate. A hound running alone shall receive a score and placement determined by the scores. Singles Stake entries from all breeds shall be combined to determine placements (1st - 5th).

Hounds under disqualification by a judge from AKC Lure Coursing may NOT be entered in OPEN, OPEN VETERAN or SPECIALS Stakes, but MAY be entered in SINGLES STAKE.

BEST IN FIELD WILL BE OFFERED

Misc. & FSS Breeds, and Winner of Singles Stake are not eligible to compete for Best in Field
